

**Gig Harbor Fire and Medic One  
Station 50 (District Headquarters)  
RFQ for Architect and Engineering Services**

**Addendum #1**

**January 30, 2024**

**To All Submitting a Request for Qualifications:**

**The RFQ previously issued, provided a brief scope of proposed work to Station 50 following damage to the building caused when it was struck by a falling tree. Please see the attached damage assessment, pictures and notes for further information about the damage.**

**Acknowledge receipt of this addendum in your submittal of the RFQ.**
